

SAFETY HARBOR CLUB

January 30, 2018
Mr. Bill Fry, Treasurer
Upper Captiva Fire & Rescue District
P. O. Box 322
Pineland, FL 33945

Dear Bill:

Please be advised that during last Saturday's Board of Director's Meeting, utility charges to members on the Safety Harbor Club sewer, and to the fire department were increased. The reasoning for this increase was due to the fact that fees had not been increased as far back as at least 2010 and as far as the fire department is concerned usage more than doubled when the fire department staff increased from two to four firefighters.

The charge to the fire department for water, sewer usage, and garbage disposal increased from \$750/quarter to \$1,700/quarter ($\$750 \times 2 = \$1,500$ plus \$200 inflation). This increase is effective 2/1/2018 but will be phased in as we realize the fire department has a 9/30 fiscal year end. The phase in will be as follows:

Quarter ending 3/31/2018, \$917 ($\$1,000 \times 2/3 = \$667 + \250), (February and March, plus January)
Quarter ending 6/30/2018, \$1,000
Quarter ending 9/30/2018, \$1,000
Quarter ending 12/31/2018 \$1,700

If you have any questions pertaining to the above, feel free to contact me at our office.

Respectfully,

A handwritten signature in black ink that appears to read "Rick Fox". The signature is stylized and somewhat cursive.

Rick Fox
