Board of Commissioners  
Upper Captiva Fire District  
P.O. Box 322  
4511 Hodgepodge Ln.  
Pineland, Fla. 33945

Gentlemen,

The districts wildfire protective gear is past its service life and must be replaced to be compliant with state and federal safety standards. Attached is a quote for twelve (12) sets of wildland fire protective gear.

I have prepared a 50/50 grant application with our Workman's Compensation provider that will be submitted to cover 50% of the cost of the equipment. According to the providers' requirement, the equipment must be purchased before funds will be granted and disbursed to the district.

With our "dry" season approaching, I present this need of the district for your consideration.

Sincerely,

Jason M Martin, Chief
